

**REMARKS:**

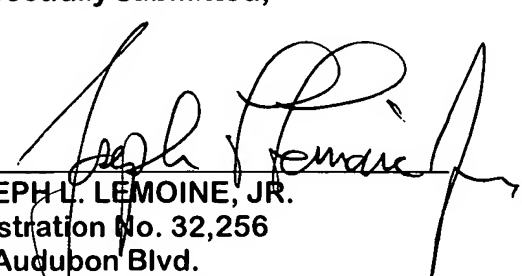

The Office Action of April 18, 2006 was an *Ex parte Quayle* action indicating claims 9 through 18 of the application were in condition for allowance subject to correction of the drawings. Proposed drawing corrections are submitted herein, with proposed changes indicated in red markings. Text of the specification has been amended to include numerical references (41A and 41B) corresponding to the drawing corrections.

**CONCLUSION:**

Upon entry of the requested amendments Applicant respectfully suggests the application is in condition for issuance and should be passed on for same.

Should the Examiner believe that a telephonic interview would be facilitative he/she is respectfully invited to so confer.

Respectfully submitted,
